

The Washington Chapter of ASLA is hosting a 3-Day LARE Prep Course/Workshop April 16-18 at the Marriott Courtyard Seattle Downtown/Lake Union.

We would love it if you could please help spread the word to your membership.

Some of you might be familiar with Ray Freeman, ASLA. He has been teaching the LARE prep courses for 10 + years and I personally can testify that his classes are more than helpful - this class helped me pass section E!! He teaches 6 classes/workshops a year in California and the Washington Chapter is excited to bring him up north the weekend of April 16-18.

Thank you again for helping spread the word. If you have any question please contact the WASLA office at office@wasla.org. Registration is now open!

Sincerely,

*Kellye
WASLA President*
