

Peaks to Plains Design has an opening for an entry level or licensed landscape architect with 1 to 5 years of experience. Located in downtown Billings, Montana, we have projects across the far ends of Montana and Wyoming. Tasks affiliated with this position include project management, graphic illustrations, cost estimating, CAD drafting, public presentations, report writing and construction observations. We have many different project types, including parks and recreation, transportation enhancements and community planning. We are a collaborative firm, working with many other allied professionals with success. We are looking for motivated individuals who have a commitment to the profession and personal growth.

Respondents shall have a Bachelor's degree in Landscape Architecture. The qualified individual will need to have demonstrated experience in Autocad or Microstation, Microsoft office and Adobe suite software. The individual will need to show demonstrated professional office experience; including design and construction document knowledge. Hand graphic abilities are a plus. Excellent oral and written communication skills are required.

Please send a resume, portfolio examples, salary expectations and references to Jolene Rieck, Peaks to Plains Design, 404 N. 31st Street, Suite 405; Billings, MT 59101. All inquiries will be kept in confidence.
